UCS Personalised Stamp and Commemorative Envelope "Heritage" Series

Introduction

What is the "Heritage Series" project?

The Ukrainian Heritage Personalised Stamp and souvenir envelope series is designed to provide a tangible and collectible philatelic record of the history of various Ukrainian organisations in Australia since 1948, recognising and commemorating their respective unique contributions to Australia's Ukrainian and wider communities.

Who is facilitating this project?

The Ukrainian Collectibles Society (UCS), based in Adelaide, South Australia, under the auspices and patronage of the Australian Federation of Ukrainian Organisations (AFUO) will be responsible for preparing, producing and distributing these philatelic items.

What is planned to be issued?

- An official Australia Post Personalised Stamp™ with a label depicting an organisations' logo.
- A souvenir commemorative envelope with descriptive text in two languages on the back.

How many issues will there be and over what period of time?

It is planned to invite all major national and state Ukrainian organisations to participate in this project but this will depend on whether specific organisations wish to be a part of the project. On this basis it is unclear exactly how many issues there will be. It is planned to issue 2-3 separate issues every three months, but this will depend on responses from organisations and other administrative issues. The project will occur over a number of years. The first issues will be released in the 4th quarter of 2010.
