Dear Friends,

Welcome to the 129th auction. Once again this sale offers many interesting items and a great selection of German occupation of Ukraine covers along with a fascinating variety of old picture postcards of Ukraine.

The highlights of the auction are again old Cinderella issues some of them going back to 1910, more than one hundred years ago. They are all illustrated, so even if you do not bid on them – do take a look. They are rarely seen.

As requested by consigners, I am repeating some of the unsold items, including local issues. Many of them with lowered opening bids, as owners suggested.

We had a great UKRAINEPEX in Grand Rapids, MI last August and it was fun seeing so many of you. We will have a Zustrich-Meet again this May 6-8 in Lehighton, PA and I hope that you will do yourself a favor, by attending. These are always entertaining and relaxing and you will have a chance to meet your friends and buy and sell some material. Contact me for further information. Hope to see you all there. .

P.S. Usual auction rules apply. Request a copy of auction rules, if interested.
